

PRESS RELEASE T.S.D. Regularity Rally 07/3/2026

AC3 (Argolis Classic Car Club), under the auspices of the MUNICIPALITY OF PENTELI, organizes the Time Speed Distance Regularity Rally of historic cars, on Saturday, March 07, 2026, which counts with a factor of 1 in the Regularity Championship of Historic Cars of FILPA FEDERATION for the Regularity category and in the AC3 /Argolis Historic Trophy 2026 for all categories.

T.S.D. Regularity Rally, an event that aims at the driving enjoyment and pleasure of the crews, with a safe pace, elementary navigation as a degree of difficulty, and MOT changes where imposed by the Road Traffic Code and the safety of the crews. The route includes, Special Routes in Eastern Attica, with good road surface and minimal traffic due to the season.

The administrative and technical control will take place from 09:00 to 10:30 at Agia Triadas Penteli Square, where the event secretariat will be located. The start will be at 11:00 and the participants will cover 160 kilometers, which will include 8 Regularity Tests with a average speed up to 49 km/h. After 5 R.Ts., in the middle of the route at Agioi Apostoli, time is given for rest in the Regularity category and there the Touring category will finish, with free time to return to the starting point. Another 3 R.Ts. will follow and the crews will finish at 15:30 at Agia Triadas Penteli Square. They will then head 5 km away to the headquarters of PHILPA where a light lunch (buffet) and the award ceremony will take place in the hall, with private parking provided for all cars. The satellite timing of the R.Ts. will be done with the GPS satellite system and the results will be published and posted on the internet by <https://anube.es/> , after applying the age factor in late penalties and the joker as in the event regulations in accordance with the FILPA FEDERATION events code.

All distance-time instruments are allowed, in the 2 categories: (a) Regularity with Average Speed in 8 R.Ts (b) Classic with Average Speed , with 5 R.Ts on a 77 km route and a pace adapted to the age of the cars. Historic cars manufactured up to 1996 are accepted. Historic cars manufactured up to 1996 (potentially historic FIVA) in the GT category manufactured from 1997 to 2005 are also accepted outside the general classification. In the Classic category, cars manufactured up to 1981 are accepted. The participation fee is set at €120.00 and the price for the Touring category is set at €60.00,(without timing and awarding prizes) which includes: Insurance for third parties during the event, organization expenses, publications, prizes, souvenirs, timing, publication of results, awards lunch, etc. Applications for participation are accepted until Monday, March 2, 2026.
